**1.0**

**Overview**

Entire site has to go thru a Land Use hearing with the Casino Reinvestment Development Authority. Any proposed signs must be included at this time with the site review

**Findings**

**Recommendation**

It is Jones recommendation to proceed with a variance for the below listed signage. Based on our code research and discussions with the city/county, we feel that there is a good likelihood that the variance would be approved.

Sign Code	Sign Type	Qty.	Description	Comments
<b>RITE AID Signage Recommendation</b>				
<b>Store 3422: Atlantic Ave &amp; Montpelier Ave, Atlantic City, NJ 08401</b>				
	Bagging		Cover copy "Pharmacy" prior to store opening due to legal requirements	
<b>Requires Application for Variance</b>				
1a	Channel Letters	3	36" Face-It channel letters - "RITE AID" (87.1 square feet)	
1b	Channel Letters	1	30" Face-It channel letters - "RITE AID" (60.69 square feet)	
2	Channel Letters	1	20" Face-It channel letters - "PHARMACY" (22.85 square feet)	
3a	Cabinet with routed-out copy	2	11" Ancillary "GNC Live Well" (9.3 square feet)	
3b	Cabinet with routed-out copy	2	11" Ancillary "Drive Thru" (5.2 square feet)	
3c	Cabinet with routed-out copy	2	11" Ancillary "Photo Center" (6.6 square feet)	
4a	Pylon w/ EMC & Ancillary Cabinet	0	20' OAH (47.81 square feet, 48.70 square feet, 9.06 square feet = 98.69 square feet)	<b>Pylon signs not permitted in district. EMC's not permitted</b>
4e	Monument w/ Readerboard	0	8' OAH Monument (47.81 square feet, 21.20 square feet = 69.01 square feet)	<b>Max. height for ground sign is 5 feet</b>
4f	Monument w/ Readerboard	0	8' OAH Monument (47.81 square feet, 42.97 square feet)	
4g	Monument w/ Readerboard	1	6' OAH Monument (28.00 square feet, 14.97 square feet = 42.97 square feet)	
5	Temporary Sign	2	Non-Illuminated "Coming Soon" temporary sign (32 square feet)	
6	Letters	2	13" Channel Letter Set "Drive Thru Pharmacy" with Arrow (12.10 square feet)	
8	Letters	1	13" Channel Letter Set "Drive Thru Pharmacy" (15.10 square feet)	
9a	Canopy Signs	1	Non-Illuminated Canopy Sign: Clearance 10'-0" or 9'-6" (3 square feet)	
9b	Canopy Signs	1	Non-Illuminated Canopy Sign: Pick-Up (1.50 square feet)	
9c	Canopy Signs	1	Non-Illuminated Canopy Sign: Drop-Off (1.50 square feet)	
9d	Canopy Signs	1	Non-Illuminated Canopy Sign: Exit Only (1.50 square feet)	
9e	Canopy Signs	1	Non-Illuminated Canopy Sign: 18" x 18" Exit Only (2.25 square feet)	
10a, 10b	Directional Signs	2	Non-Illuminated Directionals (4.00 square feet)	
<b>Variance Summary / Likelihood:</b>

**STANDARD CODE REVIEW**

Project Name: Rite Aid  
 Building Type: New  
 Street Address: Corner of Atlantic Ave & Montpelier Ave / Sovereign Ave  
 Town / City / State / Zip: Atlantic City, NJ 08401  
 Zoning Office / contact for zoning information: City  
 Jurisdiction: City of Atlantic City  
 Contact: 609-347-5300 Construction office Anthony Cox / Planning 609-347-5404 / Rosanne 609-347-0900 CRDA  
 Zoning Classification for property: NC-2 / RS-C / Tourism District  
 Will code be changing anytime soon? No

Estimate/Job#: 203797  
 Store #: 3422  
 Completed By and Date: 09/12/14

**WALL SIGNS**

- 1.) Square footage of wall signage allowed: Aggregate for Site: Not to exceed 25% of the total wall surface per elevation
- 2.) How many elevations are wall signs allowed on? All
- 3.) If signs are allowed on rear or sides of building, is the square footage deducted from the front elevation? No
- 4.) How is square footage to be calculated? Area of the smallest regular geometric figure which can encompass all words, letters, figures, emblems and other elements of the sign message.
- 5.) Are design elements or logos a part of the square footage calculation? Yes
- 6.) May signs be internally illuminated? Yes Indirect and internal illumination with white light is permitted
- 7.) Any restrictions to the location of the sign on the wall other than being located on the wall, below eaves, or on the parapet? No higher than the roofline of the wall supporting said sign.
- 8.) Maximum projection for wall signs: 12 inches

Notes:

**POLE/PYLON SIGNS**

Notes: Pole signs not permitted in district

**MONUMENT/GROUND SIGNS**

- 1.) Square footage of monument/ground signage allowed per sign face for a double-faced sign: Not to exceed 25% of the total wall surface per elevation
- 2.) Quantity: No limit / included in aggregate square footage for site
- 3.) Maximum height for monument/ground: 5 feet
- 4.) Are design elements or logos a part of the square footage calculation? Yes
- 5.) May signs be internally illuminated? Indirect and Internal illumination with white light is permitted
- 6.) Set-back from right-of-way or property line/visibility triangle: Five (5) feet from all lot lines.

No sign nor any part of a sign, other than a supporting pole or brace no greater than 18 inches in width or diameter, shall obstruct the sight triangle  
 No structure shall be located more than 2 1/2 feet above grade and less than nine feet above the grade at the curb or street line within a triangle formed by connecting the center lines of any two intersecting streets 200 feet and 90 feet

A.) Project Name: Rite Aid Estimate/Job#: 3422 203797  
Complete: 09/12/14  
ENGINEERING

1.) Are signed/sealed Engineering drawings required? For wall signs? Yes For Freestanding signs? Yes  
2.) Calculations and drawings both required? Both  
3.) How many sets required? Three (3)  
4.) Building Code/Year: 2009 IBC  
5.) Electrical Code/Year: 2011 NEC  
6.) Wind loads/Exposure: 120 MPH w/3 sec gusts  
7.) Special inspections noted on drawings from engineer: Per Engineer

Notes:  
1.) Are variances considered? Yes  No   
2.) Variance fees and costs? \$300 per variance / Escrow Fund \$2,000  
3.) Application deadline?  
4.) Process, how often are the meetings, and the number of meetings? Casino Reinvestment Development Authority Meetings are held on the 1st and 3rd Thursday of the month.  
5.) Forms and contact information: Application for Land Use Hearing

Notes:  
DIRECTIONAL SIGNS  
1.) Number of directional's allowed: No limit  
2.) Maximum square footage: 2 Sq. Ft  
3.) Maximum height: 12 feet  
4.) Set-back  
5.) Illumination allowed? Yes  
6.) Custom logo  
7.) Permit required? No

Notes:  
ELECTRONIC MESSAGE CENTERS/ READER BOARDS  
1.) EMC's allowed: No  
2.) Maximum square  
3.) Color restrictions?  
4.) Movement restrictions?

Notes:  
AWNINGS AND TEMPORARY SIGNAGE  
3.) Temporary Signs: One (1) ground sign per street frontage No more than 60 square feet in area, are illuminated only by an indirect source of light and are maintained for no more than 14 days following the conclusion of the construction  
Do temporary signs require a permit? Yes

**STANDARD CODE REVIEW** - Continued Estimate/Job#: 203797

A.) Project Name: Rite Aid Completed: 09/12/14

**PERMITTING**

1.) Process:  
What needs to be done first? Entire site has to go thru a Land Use hearing with the Casino Reinvestment Development Authority. Any proposed signs must be included at this time with the site review  
Fee is dependent on site area No  
Can the sign permit be issued before the building permit? No  
Other jurisdiction?

2.) Permit application and checklist:  
Planning: Certificate of land use compliance  
Building: NJ Construction permit packet  
Number of Sets of Drawings Req'd: Three (3)  
Permit application can be mailed? No

3.) Permitting Process time frame:  
Planning: Couple of weeks  
Building: Have up to 30 days to review

4.) Permit application fees:  
Planning: \$50.00  
Building: Plan Review fee 25% of permit fee / \$2.50 per Sq. Ft (only one side counted) Min. fee \$58.00

5.) Length of time the permit will be valid: One (1) year

**SIGN MARKINGS**

Electrical Hook-up included with Sign Permit  
 UL label visible after installation  
 Property Owner Information  
 Property Owner Signature on Application  
 Disconnect visible after installation  
 Electrical Permit Req'd by Licensed Electrician
