SUBJECT: Hearing Officer's Report and Recommendation
#2015-06-1549 – Mohammed Ullah
15 S. Bellevue Avenue, Block 166, Lot 1
City of Atlantic City.
Seeking Certificate of Nonconformity to allow the continued use as a two family dwelling.

DATE: August 24, 2015

On August 6, 2015, the Casino Reinvestment Development Authority (the "Authority") heard testimony and public comment on the above-subject application. The applicant, Mohammed Ullah (the "Applicant"), seeks a Certificate of Non-Conformity pursuant to the Municipal Land Use Law for an existing two-family residential dwelling where such use is no longer permitted. The Certificate of Non-Conformity would certify that the use existed lawfully prior to a zoning change that rendered the use non-conforming, and permit it to continue on the property.

During the hearing, the Applicant presented evidence and testimony to explain the history of the use. Specifically, the Applicant provided evidence and testimony that the two-family residential dwelling lawfully existed prior to the adoption of the current zoning ordinance, and that such use has been continuous and was not abandoned. Therefore, as more fully outlined below, the Applicant has met its burden for the relief requested under the Municipal Land Use Law and the Hearing Officer recommends that the application be approved by the Authority.

CONCLUSIONS OF LAW

The Applicant seeks a Certificate of Nonconformity pursuant to the Municipal Land Use Law. A nonconforming use is one which existed on the property prior to the adoption of a zoning ordinance, but which the ordinance does not now permit in the particular zone. N.J.S.A. 40:55D-5. The Municipal Land Use Law provides in part that any nonconforming use or structure existing at the time of the passage of an ordinance may be continued upon the lot or in the structure so occupied. N.J.S.A. 40:55D-68.

The burden of proving the existence of a nonconforming use is always on the applicant asserting such use. Ferraro v. Zoning Bd. of Keansburg, 321 N.J. Super. 288, 291 (App. Div. 1999); Weber v. Pieretti, 72 N.J. Super. 184, 195 (Ch. Div. 1962), aff'd 77 N.J. Super. 423 (App. Div. 1962), certif. den. 39 N.J. 236 (1963); Grundlehner v. Dangler, 51 N.J. Super. 53 (App. Div. 1958), aff'd 29 N.J. 256 (1959). The Applicant must show through testimony and documentary evidence what the use, including its character, extent, intensity, and incidents, on the property was at the time of the adoption of the

zoning ordinance which rendered it prohibited. After the Applicant has established that the use was lawful at the time of the adoption of zoning, such use must be shown to have been continuous and not have been abandoned during the period in which it was made nonconforming. See Villari v. Zoning Bd. of Adj., 277 N.J. Super. 130, 135 (App. Div. 1994); Poulathas v. Atlantic City Zoning Bd. of Adj., 282 N.J. Super. 310, 313 (App. Div. 1995); Camara v. Bd. of Adj. of Tp. of Belleville, 239 N.J. Super. 51, 57 (App. Div. 1990); Borough of Saddle River v. Bobinski, 108 N.J. Super. 6, 13 (Ch. Div. 1969); Cox, Zoning and Land Use Administration, §11-3, 302 (2014).

The Hearing Officer concludes that the Applicant's evidence and testimony demonstrate that the use of the subject property as a two-family residential dwelling lawfully existed until the amendment of the zoning district regulations in 1979, which rendered such use nonconforming. The evidence and testimony further demonstrate the continuation of such use from such time to present, and that such use was not abandoned. Accordingly, the Applicant has satisfied the legal requirements for the grant of the requested relief.

RECOMMENDATION

For all of the foregoing reasons, the Hearing Officer recommends that the application for a Certificate of Nonconformity be approved. The grant of approval of this Application shall be expressly conditioned upon the Applicant satisfying all representations made by the Applicant or by others on its behalf during the course of the hearing on this matter before the Hearing Officer, all applicable requirements of the city of Atlantic City Land Use Ordinances, or other City Ordinances, and the requirements of any City agency, board or authority. Any approval granted in accordance herewith shall be further expressly conditioned upon the Applicant obtaining all other necessary governmental approvals, and compliance with all Federal, State and local laws.
