RE: T-Mobile Northeast, LLC
Property Address: 1 Atlantic Ocean
Continuance of March 2, 2017 Hearing
Our File: 2970-417

Dear Mr. Reid:

In accordance with our discussion, T-Mobile Northeast, LLC would respectfully request an adjournment of the application scheduled before the CRDA on March 16, 2017 until the second meeting on April 20, 2017 to allow an opportunity to resolve issues with Caesars. I would request that the hearing continuance be noted on the record tomorrow so that we do not need to re-advertise the hearing.

Thank you for your attention to this matter. We look forward to proceeding with the hearing on April 20th.

Very truly yours,

DEBRA A. SHULSKI
