Dear Mr. Reid,

This office was contacted by Mr. Jason T. Scullo, P.E., of Marathon Engineering to discuss some field changes required to the storm drain route at the valet exit for the Tropicana Hotel. The changes are limited and are based on additional information obtained during more detailed field investigations by the contractor.

As a result, a revised plan dated 11/7/2017 has been submitted. Based on our discussions with Mr. Scullo and a review of the plans, we take no exceptions to the modifications.

This letter is for your files. Should you have any questions or require any additional information, please do not hesitate to contact me at (973) 337-8562.

Very Truly Yours,
