The New Jersey Prevailing Wage Act requires the payment of minimum rates of pay to laborers, craftsman and apprentices employed on public works projects. Covered workers must receive the appropriate craft prevailing wage rate as determined by the Commissioner of Labor and Workforce Development. Prevailing wage rates are wage rates established for a particular craft or trade in the locality in which the public work is performed. In New Jersey, these rates vary by county and by the type of work performed.

THIS CONTRACT IS SUBJECT TO THE NEW JERSEY PREVAILING WAGE ACT. Anyone interested in bidding or engaging in any contract resulting from this bid must register with the Department of Labor and Workforce Development, Division of Wage and Hour Compliance as required by the Public Works Contractor Registration Act, N.J.S.A. 34:11-56.48 et seq. The New Jersey Department of Labor and Workforce Development makes official wage determination and debarment list information available on its website at www.nj.gov/labor/lssc/lspubcon.html. By accessing this website official New Jersey Prevailing Wage Rate Determinations may be obtained.

The bidder and subcontractors must be properly registered with the Department of Labor and Workforce Development under the Public Works Contractor Registration Act, N.J.S.A. 34:11-56.48 et seq., as of the bid opening date, and must submit a copy of the bidder's Public Works Contractor Registration Act certificate with its bid.

5.2 Services Agreement

Bidders shall review and execute **Submittal 2**. The CRDA reserves all rights to reject any and all bids based upon exceptions taken to the proposed form of contract. Execution of **Submittal 2** is not to be construed as entering into a contract with the CRDA but rather as a submission of an

offer to contract with the CRDA. **Any requested exceptions to the Service Agreement must be raised by the respondent as a question during the Question and Answers period through the same procedure set forth in Section 1.5 of this Solicitation.** Failure to execute Submittal 2 will result in the bid being rejected as non-responsive.

- An employee information report (Form AA302) (**See Submittal 6**)

5.7 Political Contributions Disclosure

The bidder is required to complete the attached Political Contributions Disclosure form. The requirement is a precondition to entering into a contract with the CRDA. The Political Contributions Disclosure form is appended hereto as **Submittal 7**.

Furthermore, the successful bidder is required to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (ELEC), pursuant to P.L. 2005, c. 271, section 3 if the successful respondent receives contracts in excess of \$50,000 from a public entity in a calendar year. It is the successful respondent's responsibility to determine if filing is necessary. Failure to so file can result in imposition of financial penalties by ELEC. If the bidder is unable to so certify, the bidder shall provide a detailed and precise description of such activities as directed on **Submittal 10**. **A bidder's failure to submit the completed and signed form with its bid will result in the rejection of the bids as non-responsive and preclude the award of a contract to said bidder**

INSERT FULL LEGAL NAME AND ADDRESS OF CONTRACTOR:

(referred to hereinafter as the “Contractor”)

THIS SERVICES AGREEMENT (the “Agreement”) is made as of this ____ day of _____, 2020, by and between the **CASINO REINVESTMENT DEVELOPMENT AUTHORITY** (the “CRDA”), a public body corporate and politic constituting an instrumentality of the State of New Jersey, and the Contractor identified above.

Background

A. In accordance with the CRDA’s solicitation of bids released in December of 2019 (the “Solicitation”) and the Contractor’s bid thereto dated _____ (the “Bid”), and in accordance with CRDA Resolution 20-__ adopted _____, the CRDA has selected the Contractor to provide services to the CRDA as described in the Solicitation (the “Services”).

B. The Contractor desires to accept the engagement to provide Services on an as-needed basis, all as more particularly set forth in this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements contained herein, the CRDA and the Contractor, intending to be legally bound, hereby agree as follows:

1. Copies of the Solicitation and the Bid are annexed hereto as Exhibits 1 and 2, respectively. By this reference, the Solicitation and the Bid are incorporated in and made a part of this Agreement as if set forth herein in full. In case of a conflict or inconsistency between the provisions of the Solicitation and the Bid, on the one hand, and this Agreement, on the other hand, the provisions of this Agreement shall govern to the extent of such conflict or inconsistency.

2. The Contractor, in consideration of the execution and delivery of this Agreement, agrees to render the Services, as more fully described in Section 2.0 of the Solicitation.

3. (a) The CRDA will make payment to the Contractor for services rendered at the rates, and under the terms and conditions, if any, set forth in Submittal 9 of the Solicitation, entitled, “Fee Schedule”.

(b) The Contractor shall provide invoices with substantiating documentation, as reasonably requested by CRDA. All invoices must describe the Services performed, referencing the task or part thereof outlined in the Contractor's Bid. If the Contractor's Bid or part thereof is based on an hourly fee, then the invoice shall show the hours spent, itemized by date and task. Any invoice that includes an expenditure line item must be accompanied by such documentation to substantiate the amount and necessity of such expenditure. All invoices must reflect the fees and rates as set forth in the Solicitation.

(c) The CRDA shall not be obligated or liable under this Agreement to any party, other than the Contractor, for the payment of any monies or the provision of any goods or services. The Contractor shall be obligated to indemnify, defend and hold the CRDA harmless pursuant to Section 13 hereof in the event of any such claim.

(d) The CRDA shall remit payment to the Contractor within forty-five (45) days of the receipt of the Contractor's invoice, provided such invoice accurately and completely represents the work and amounts owing therein and is otherwise presented in accordance with this Agreement, unless the CRDA disputes the invoice.

(e) If the contract term spans more than one fiscal year, the CRDA's obligation to make payment beyond the current fiscal year is contingent upon the governing body appropriation and availability of funds.

4. The Contractor shall be responsible to comply with and abide by all applicable laws, statutes, regulations, ordinances and other similar requirements pertaining to its performance and obligations under this Agreement. Without limiting the foregoing, the Contractor shall not discriminate in employment and shall abide by all anti-discrimination laws including those contained within N.J.S.A. 10:2-1 through N.J.S.A. 10:2-4, N.J.S.A. 10:5-1 et seq. and N.J.S.A. 10:5-31 through 10:5-38, and all rules and regulations issued thereunder.

5. The Contractor represents and warrants, on behalf of itself and its employees and sub-contractors that:

(a) the Services shall be performed in a good, professional and workmanlike manner in accordance with the standards of care and diligence normally practiced in the industry, and to the extent applicable, shall conform to the specifications, drawings, samples, other description, and terms and conditions contained or referenced therein; and in the event the Contractor fails to fulfill this covenant, the Contractor shall promptly re-perform and correct any Services not acceptable to the CRDA upon its written request made at any time within one (1) year after the CRDA's final acceptance of the Services. All costs incurred by the Contractor in performing such corrective work shall be the sole responsibility of the Contractor.

(b) the Services and the Contractor's performance thereof shall comply with any and all applicable laws, ordinances, rules and regulations of any and all governmental agencies, including the CRDA, having jurisdiction to impose such requirements; and

(c) it and they have the legal authority to enter into this Agreement and to perform the Services.

(d) (i) execution of this Agreement and performance of the Services will not violate any obligation to or rights of others including but not limited to, intellectual property rights such as patent, trademark, trade secret and copyright, under agreement or otherwise, and (ii) it knows of no written or oral agreement or of any other impediment which would inhibit or prohibit the relationship with the CRDA provided for herein.

6. The CRDA represents and warrants that it has the authority to enter into, and will reasonably cooperate with the Contractor in accordance with the terms and conditions of, this Agreement.

7. The term of this Agreement shall commence on the Effective Date and shall expire _____ upon the acceptance of the work by CRDA, or earlier termination as provided herein (the "Termination Date"); provided however, that the Agreement shall remain in full force and effect for any Services requested by the CRDA prior to and performed by the Contractor after the Termination Date ("Post Termination Services"). The CRDA may terminate the Agreement for any reason or no reason upon at least ten (10) days prior written notice to the Contractor. The Contractor shall be paid for work performed and accepted by the CRDA until the close of business on the Termination Date, or, in the case of Post Termination Services, the date of the CRDA's acceptance of such services.

8. The Contractor shall maintain a thorough and complete record of its performance of the Services hereunder, including, without limitation, hours worked under this Agreement and the reasonable business expenses incurred in connection with the Services (the "Records"). Contractor shall maintain and make available for inspection the Records during the term of the Agreement and for three (3) years from and after the Termination Date. The CRDA or its designee shall have the right, upon reasonable notice, during normal business hours to audit, inspect and copy the Records. For purposes of this Section 8, "Contractor" shall include the Contractor and its sub-contractors.

9. (a) The Contractor represents that it has no existing financial interest and will not acquire any such interest, direct or indirect, which could conflict in any manner or degree with the performance of the Services under this Agreement and that no person having any such interest shall be subcontracted in connection with this Agreement, or employed by the Contractor. The Contractor will also take all necessary steps to avoid the appearance of a conflict of interest and shall have a duty to disclose to the CRDA prior to entering into, and during the term of, this Agreement any and all circumstances existing at such time which pose a potential conflict of interest.

(b) The Contractor warrants that it has not directly or indirectly offered or given, and will not directly or indirectly offer or give, to any employee, agent, or representative of the CRDA any cash or non-cash gratuity or payment with view toward securing any business from the CRDA or influencing such person with respect to the conditions, or performance of any agreements with or orders from the CRDA, including without limitation this Agreement. Any breach of this warranty shall be a material breach of each and every agreement between the CRDA and the Contractor.

(c) Should a conflict of interest issue arise, the Contractor agrees to fully cooperate in any inquiry and to provide the CRDA or its designee with all documents or other information reasonably necessary to enable the CRDA or its designee to determine whether or not a conflict of interest existed or exists. Failure to comply with the provisions of this section shall constitute grounds for immediate termination of this Agreement, in addition to whatever other remedies the CRDA may have.

10. The Contractor shall procure, and require its contractors and consultants to procure, prior to the commencement of services, and maintain, at its own expense, until final acceptance by the CRDA of all services required under this Agreement, insurance for liability for damages imposed by law and assumed under this Agreement, of the kinds and in the amounts hereinafter provided, with insurance companies authorized to do business in the State of New Jersey. The insurance carriers shall have a Best's rating of "A" or better and a Best's financial size of "VII" or larger. All of the policies of insurance required to be purchased and maintained and the certificates, declaration pages, or other evidence thereof shall contain a provision or endorsement that the coverage afforded is not to be cancelled, materially changed or non-renewed without at least 45 days prior written notice to the CRDA by certified mail. The Casino Reinvestment Development Authority shall be named as an "Additional Insured" on those policies required under subsections (a) and (b).

(a) Commercial General Liability Insurance. The minimum limit of liability shall be \$1,000,000 per occurrence (combined single limit for bodily injury and property damage) / \$2,000,000 aggregate, including products/completed operations and contractual liability insurance, which insurance shall include coverage for the liability assumed under section 3 of this Solicitation in an amount not less than \$1,000,000. The coverage to be provided under this policy shall be at least as broad as that provided by the standard, basic, un-amended and unendorsed comprehensive general liability coverage forms currently in use in the State of New Jersey, which shall not be circumscribed by any endorsement limiting the breadth of coverage. Moreover, such policy of insurance shall be endorsed so as to delete any exclusions applying to property damage liability arising from underground hazards relating to utilities, explosions and collapse of foundations. The policy shall include coverage for pollution liability, or alternatively, Contractor shall provide evidence of such coverage in accordance with subpart (e) herein-below.

(b) Comprehensive Automobile Liability Insurance. The policy shall cover owned, non-owned, hired, leased and rented vehicles with minimum limits of liability in the amount of \$1,000,000 per accident as a combined single limit for bodily injury and property

damage. The coverage provided shall include automobile contractual liability covering liability assumed under this Agreement.

(c) Workers Compensation and Employer's Liability Insurance. Worker's Compensation and Employer's Liability insurance shall be provided in accordance with the requirements of the laws of the State of New Jersey.

The Contractor shall furnish to the Authority, within ten (10) days of the effective date of this Agreement, Certificates of Insurance, together with declaration pages, in a form satisfactory to the CRDA, evidencing that it has complied with this Section 10. The required Certificates of Insurance shall be filed with the CRDA and same will be made part of this Agreement. No work shall commence until the insurance requirements and certificates are provided to CRDA. Upon request, the Contractor shall furnish the CRDA with a certified copy of each policy itself, including the provisions establishing premiums.

11. RESERVED.

12. By signing this Agreement, the Contractor certifies that the Contractor and any of its principals (a) are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of Agreements by any public agency, and (b) have not, within a five-year period preceding this Agreement, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government agreement or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and are not presently indicted for, or otherwise criminally or civilly charged by a government entity with, commission of any of these offenses.

13. The Contractor will indemnify, defend and hold the CRDA, and its officers, employees and members (collectively, the "Indemnitee") harmless from and against any and all allegations, causes of action and claims (whether threatened or pending), costs, expenses and fees (including attorneys' fees), awards, damages, judgments, liabilities (in law or in equity) and losses (collectively, the "Losses") arising out of or relating to the Contractor's act, failure to act, or omission in its performance of the Services hereunder. The obligation to defend shall arise regardless of any claim or assertion that Indemnitee caused or contributed to the Losses.

14. Provisions of this Agreement may be waived by the CRDA only by a written statement expressing that it is intended as a waiver of specified provisions of the Agreement. The CRDA's approval, acceptance, use or payment for any part of the Contractor's services shall not in any way alter the Contractor's obligations, nor waive any of the CRDA's rights, under this Agreement.

15. If any change occurs in the legal entity of the Contractor's organization, the Contractor shall immediately report such change to the CRDA.

16. While engaged in performance of this Agreement, the Contractor is an independent contractor and is not an officer, agent, or employee of the CRDA. The Contractor is not entitled to benefits of any kind to which CRDA employees are entitled, including, but not limited to, unemployment compensation, workers' compensation, health insurance and retirement benefits. The Contractor assumes full responsibility for the acts and/or omissions of the Contractor's employees or agents as they relate to performance of this Agreement. The Contractor assumes full responsibility for workers' compensation insurance and payment of all federal, state and local taxes or contributions, including, but not limited to, unemployment insurance, social security, Medicare and income taxes with respect to the Contractor and the Contractor's employees.

17. Neither the performance of this Agreement, nor any part hereof, may be assigned by the Contractor without the prior written consent of the CRDA. The Contractor shall not subcontract any services hereunder without the prior written approval of the CRDA. All subcontracted services, once approved, shall be billed by the Contractor to the CRDA at direct cost with no additional fees or markup.

18. All notices under this Agreement must be in writing and shall be delivered to the Party to which the notice is being served by: (a) certified or registered mail, return receipt requested, or (b) overnight courier service addressed to the Parties at their respective address set forth above.

19. The validity, interpretation and performance of this Agreement shall be determined according to the laws of the State of New Jersey. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid. However, if any provision of this Agreement shall be held to be prohibited by or invalid under any applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remaining provisions of this Agreement.

20. Subsequent to the award of this Agreement, the Contractor merges with or is acquired by another firm, the successor entity shall submit the following documents to the CRDA: (a) corporate resolutions of the successor entity ratifying acceptance of the terms and conditions of this Agreements; (b) updated Ownership Disclosure Form for the successor entity; (c) Political Contributions Disclosure form for the successor entity. The documents must be submitted to the CRDA within thirty (30) days of the completion of the merger or acquisition. Failure to do so may result in termination of this Agreement in accordance with the terms herewith.

21. This Agreement, together with the Solicitation and the Bid, constitutes the entire agreement between the parties hereto, and supersedes any prior or contemporaneous written or oral understanding or agreement, and may be amended only by written amendment executed by both parties and approved as required by New Jersey law and CRDA policy. This Agreement shall become effective and legally binding upon the signing of the Agreement by all parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized signatories as of the day and year first above written.
