## II. COMPLETENESS REVIEW

The Applicant has submitted a Project Narrative stating there will be a removal of the previously approved dispensary use. The Applicant has not provided the following documents in their submission for adequacy:

1. Application Form indicating the request is for an Amendment to an Approved Site Plan. The current Application Form incorrectly states the request is for an Administrative Review. The appropriate fees for an Amendment to an Approved Site Plan shall be provided to the Board if not provided already.
2. Project Narrative indicating what the newly proposed use will be.
3. Checklist Form #5 – Minor Site Plan with requested waivers as necessary.
4. Amended Site Plans depicting the approved dispensary use and the newly proposed use with revised parking demand calculations.
5. Architectural Floor Plans indicating the change of use within the building. It is unclear in the Architectural Floor Plans provided where the improvements are to be located, and how it is changing from the previous approval.
6. List of all tenants and subtenants on the property with their relation to each other and their uses on the site.
