Dear Mr. Reid:

Enclosed, please find application for a land use certificate on the above referenced property. In addition to the initial application, I have enclosed the following documents:

1. Survey showing rear fire escape & trash totes in garage
2. Property Record Cards – 1961 showing (2) full baths, (1) half bath & (3) kitchen sinks
3. Picture of building.
4. Front of building showing existing sign

If you need any additional information, please let me know and I will provide the documentation. Thank you for your assistance in this matter.

Thank You,

Encl.
