22	Site Plan depicting proposed buildings, structures, existing and proposed building setbacks, landscape areas, location of identification signage and directional signs, trash enclosure, building setback lines (dashed) and their dimensions from the property lines, parking area plan showing spaces, size and type, aisle width, curb cuts, drives, driveways, and all ingress and egress areas and dimensions.	X	X	<p>The site plan shall be revised to provide the proposed curb cut and driveway entrance into the site's loading area as demonstrated on the architectural plans. The architectural plan also portrays a ramp under the covered entry into the building which is not shown on the site plan.</p> <p>The Applicant has not provided any signage at this time. The Applicant shall confirm if no signage is proposed and as to why if not.</p>
23	Grading plan depicting direction of flow of surface run-off, spot elevations, contours within 1 foot intervals, stormwater management structures.	X	X	The Applicant has requested a waiver from providing a grading plan, but it is not clear if this is necessary as no existing topography has been provided to demonstrate if the proposed vehicular and entry access improvements into the site can work.
24	Landscaping Plan, details, and plant schedule (19:66-7.6)	X	X	Our office accepts this waiver request from providing a landscaping plan as the site is fully impervious coverage and no landscaping is existing or proposed.
