Dear Tony:

Please be advised that we are getting ready to turn the packages into Rob Reid tomorrow. We are going to need the following:

- i. Check made payable to CRDA in the amount of \$1,300.00 representing the application fee;
- ii. Check made payable to CRDA in the amount of \$7,400.00 representing the escrow fee;
- iii. In order for the CRDA to deposit the escrow money, they will need a W9 filled out. The escrow fee is money that is billed to you for their professionals to review the packages.

Please email me copies of the checks so that I can turn them in as part of my package tomorrow and they will await the original checks for Monday delivery.

Thank you once again.

Cordially,

Brian J. Callaghan, Esq.
