

HEALING SIDE, LLC

BIOGRAPHY

The Healing Side LLC

Leadership – Founded by a team with decades of combined cannabis experience. The Healing Side LLC will be a woman-owned minority company and leader in the space. Our leadership team’s backgrounds are rooted in the healthcare, cannabis, and compliance sectors. As of February 2022, our collective team has successfully worked on over 10 adult-use and medical states and operated dispensaries in three states across the U.S.

Company Strengths: One of the key strengths is being familiar with Atlantic City. Our Team Leaders, Nisha Shah and Chintan Shah are 20-year residents of Galloway, NJ and both are working in Atlantic City. Chintan Shah is a Pharmacist owner operator of Trenton Ave Pharmacy, which is servicing Atlantic City residents over 30 years. Nisha Shah is a Podiatric Doctor at Atlantic Care hospital in Atlantic City. As you can see, The Healing Side has well connected roots and attachment to Atlantic City.

Members:

Nisha Shah– Immigrated to the US in 2000, since then went on to graduate as cum laude from NY College of Podiatric Medicine in Doctor of Podiatry. In addition to working at Atlantic Care hospital, she serves as a director at the Foot and Ankle Center of South Jersey. With a background in medicine, Nisha understands the overall benefit of Cannabis in improving health and wellness. In addition to practicing Medicine, Nisha also volunteers at the community church on the weekends to provide free medical check-ups to the seniors.

Chintan Shah- New Jersey licensed Pharmacist with over 15 years of community pharmacy experience. Chintan has been working in Atlantic City from initially being licensed in 2007. Over the years as a Pharmacist, he has accumulated immense knowledge in assessment of Drug-related problems, development of care plans and measurement of outcomes. Currently, Chintan is operating Trenton Ave Pharmacy in Atlantic City and has zero drug related divergence issues. For his hard work and skills in preventing divergence he has been recognized by the DEA.

Cady Riley Weigand – Cady is a well-known name to the NJ Cannabis Regulatory Committee with her experience as a general manager at The Botanist, a medical marijuana dispensary in Atlantic City which is subsidiary of Compassionate Care Foundation. As a general manager, Cady was in charge of ensuring all compliance with NJMMP rules and regulations are met. Cady analyzed facility data ,including efficiency metrics, cost drivers, volume, and capacity planning to make recommendations on optimal quality. Cady brings to the Healing Side LLC Team an array of knowledge and experience from her position as general manager of the Botanist to successfully operate an adult-use cannabis dispensary in Atlantic City.

Dave Patel – A NJ licensed Pharmacist who is an independent owner of six Pharmacies in NJ. Dave is an expert in overseeing that all the pharmacies are running in accordance with all the regulations of the New Jersey State Board of Pharmacy, DEA and Controlled Substance act. In Arizona, Dave provided investment and board seat guidance for Amado Management LLC, a large scale, seventeen acre greenhouse complex and 3 medical marijuana dispensaries. Dave has a niche for compliance and state related regulations. He

was on Dean's List at the University of the Sciences in Philadelphia . In 2016, he was awarded young Entrepreneur of the year by Indo-American Pharmacist Association.

Rajendra Singh – Experienced Retail Pharmacist with over 13 years of growing revenue of slow running pharmacies. He has excellent track record of maintaining relationships with staff, customers, and community health organizations. Rajendra combines clinical skills with business acumens and a proven ability to grow pharmacy revenues, research, prepare and dispense medications to professional standards and legal standards. In addition to pharmacy, Rajendra is also a passive investor in Nature's Medicine, a brand of medicinal marijuana dispensaries in Arizona and Maryland.
