I. PROJECT INFORMATION & CONTACT INFORMATION

The 29,120 sf site is situated along the triple frontage corner of Ohio Avenue, Pacific Avenue, and Park Place. The site is presently developed with a multistory building that is the parking garage for the Claridge Hotel and also contains retail, office, and other uses throughout. The Applicant seeks approval to replace existing office space on the 5th floor with a Class 2 cannabis manufacturing facility as well as occupation of the existing offices on the 3rd floor for their office use. No exterior improvements are proposed. An application for a retail dispensary on the 1st floor was approved under Resolution #23-80 with numerous variances and existing non-conformities in which the current application appears not to exacerbate.
